BCA Built Environment Leadership Awards

Date of expiry: 12 June 2022

Shimizu's history began more than 200 years ago in 1804, Tokyo, and operations in Singapore began in 1973. With an established network of over 40 countries and backed with a dedicated and experienced team, Shimizu continually answers the demands of a vibrant economy for quality design and construction.

Today's Work, Tomorrow's Heritage

Through sincere and responsible work, Shimizu takes pride in our professional workmanship and leave a lasting heritage —our beliefs, values, and high-quality work— for all future generations.
