

Shimizu's Continuous Efforts for the Global Environment

In August 2018, Shimizu Headquarters pledged to Japan's Ministry of Environment that we will implement environmental conservation activities and obtained certification under the Eco-First system.

Shimizu Singapore Office, together with NParks and our supportive industry partners, held the Annual Plant-A-Tree at East Coast Park on 7 Dec 2018. A total of 142 trees, pledging a donation of S\$28,400, were planted by family and friends.
