

**20 Shimizu staff participated in the Singapore Contractors Association Limited (SCAL) Blood Donation Drive that was held on 1 February 2024. This is the second time Shimizu took part in SCAL's donation drive.**

*"I am a frequent blood donor, but this was my first time participating in a company blood donation drive. I enjoyed my experience and found the whole process to be seamless. The organizing team were always looking out for us to make sure that we felt comfortable and relaxed. The nurses that attended to us, were professional and courteous too. These helped very much to make the process pleasant and wonderful.*

*I do encourage every individual to come forward to make a difference by donating blood, it allows us give back and save lives." ~ Elizabeth Lau, HR Manager*
