

# ***NAMI Roof Upgrade 2012***

**Client:**

Nisshinbo Automotive Manufacturing, Inc.

**Facility Type:**

Automotive Brake Parts Manufacturing Facility

**Location:**

Covington, Georgia

**Size:**

90,000 square foot roof replacement

**Construction Date:**

September 2012—November 2012

**Overview:**

Replace approximately 90,000 s. f. of existing EPDM rubber membrane roofing. New roof consists of 2 1/2 " insulation, 1/2" dens deck, and 50 mil Fibertite XL membrane. New gutter and downspouts were also installed.
