

ANA DC - INTERIOR

Client:

All Nippon Airways North America

Facility Type:

Ticket Office

Location:

Washington, DC

Size:

2,000 s.f.

Construction Date:

December 1986 - April 1987

Overview:

Located in downtown Washington, DC, the center of U.S. government operations and the hub of international diplomacy, this ticket office was ANA's first in the United States. Shimizu North America was asked to design and build an office that would make its visitors feel welcome.
