

DKB DATA - INTERIOR

**Client:**

DKB Data Services (USA), Inc.

Facility Type:

Computer Center

Location:

Jersey City, New Jersey

Size:

20,000 s.f.

Construction Date:

September 1991 - April 1992

Overview:

When this major Wall Street Banking institution wanted a hi-tech computer center, Shimizu North America took advantage of modern communications technology to place it off-site. Located on the other side of the Hudson River, it provides immediate service to the main office in Manhattan.
