

DNP Show Room

Client:

DNP IMS America Corporation

Facility Type:

Printing/Coating Technologies Company

Location:

Concord, North Carolina

Size:

500 s.f.

Construction Date:

September 2013

Overview:

Interior Renovation Project, including new full height glass wall (L=15'-2") installation, conversion from glue-down carpet flooring to Luxury Vinyl Tile (LVT) flooring with wood wall base moulding. The renovation also required major sub-floor levering, structural reinforcement, electrical device relocations and door demolition.
