

HASHIGUCHI JR. - INTERIOR

Client:

Hashiguchi Jr. Japanese Restaurant

Facility Type:

Restaurant

Location:

Atlanta, Georgia

Size:

2,200 s.f.

Construction Date:

October 1993

Overview:

Shimizu North America designed this Japanese restaurant and sushi bar which emphasizes detailing of construction, from the reveals in the wood trim and walls, to the carpet accents and slate patterns. Shimizu North America maximized the space to create a truly delightful and comfortable dining environment. Shimizu North America's furniture selection complements the design and creates an integrated dining environment.
