Located in one of Manhattan's most prestigious shopping areas at 822 Madison Avenue, this tea shop and restaurant will be a gem in its high-class neighborhood. Taking up three floors of a five story masonry brownstone townhouse that is over one hundred years old, optimal use of the limited 4,914 s.f. of tenant space was of the utmost importance. Through careful planning and design, Shimizu North America was able to accommodate all of the needs of Ito En.
