

# SANKYO - INTERIOR

---

**Client:**

Sankyo U.S.A. Corporation

**Facility Type:**

Office

**Location:**

New York, New York

**Size:**

7,000 s.f.

**Construction Date:**

February 1992

**Overview:**

The client, a major pharmaceutical firm, wanted to magnify the impact of its small New York office. Having designed the original space, Shimizu North America installed bold signage that creates a dramatic impression.
