

# KEIO ACADEMY - INTERIOR

**Client:**

Keio Academy of New York

**Facility Type:**

Full-Scale Academic Campus with Boarding Facility

**Location:**

Purchase, New York

**Size:**

170,000 s.f.

**Construction Date:**

September 1989 - September 1990

**Overview:**

To make Japanese and American students feel equally comfortable studying and living at Keio, interior spaces were carefully designed. Shimizu North America coordinated the design and construction of the school's attractive physical plant.
