

SHARP HUNTINGTON BEACH

Client:
Sharp Electronics Corporation

Facility Type:
Office, Warehouse

Location:
Huntington Beach, California

Size:
1,018,242 s.f.

Construction Date:
January 1996 - April 1997

Overview:

Sharp Electronics Corporation's Western Regional Headquarters is located on a 23,4 acre site in Huntington Beach, California. The facility consists of a 400,000 s.f. warehouse space and a 94,000 s.f. office space. The warehouse space features a specialized brace frame system which allows for a firewall-free open layout. This facility is home to Sharp Electronics Corporation's Western Regional sales force, Research and Development operation for Sharp Manufacturing of America, and training facilities for Sharp Regional Service Organization.
