

# YAMATO

---

**Client:**

Yamato Scientific America Inc.

**Facility Type:**

Office, Warehouse, and Light Manufacturing

**Location:**

Orangeburg, New York

**Size:**

40,000 s.f.

**Construction Date:**

Feb 1990

**Overview:**

Located in a beautiful industrial park, this turnkey project was designed for the production and assembly of scientific accessories, instruments, and laboratory furniture. Shimizu North America coordinated negotiations between the client and the developer ensuring that the client's needs would be in harmony with the structure of the park.
